

# Career Pathways to Care

Connecting people to qualifications and on the job experience to enter the aged care and disability sector.

## For Jobseekers

### Looking for natural carers

Gain a casual position at an aged care or disability provider whilst undertaking monthly on the job study.

### Sign Up

You will be signed up to a traineeship through our partners, enrolled in the course through VHC, and commence employment.

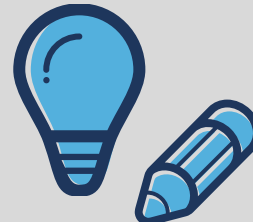

### Training While Working

Four days upfront initial training and 12 months accredited training and paid on-the-job experience.

### Your Course

Certificate IV in Ageing Support and Disability will give you a strong foundation in all aspects of care of both the elderly and people with a disability. This industry will give you a 'job for life', providing a pathway for your career.

### Eligibility

If you hold a Certificate III or less and are Australian resident, you may be eligible for both Victorian and Federal Funding (upon eligibility checks) for your traineeship.
