

LEARN WITH US

22540VIC COURSE IN SUPPORTING PEOPLE WITH COMPLEX PERSONAL CARE NEEDS INCLUDING BEHAVIOURS OF CONCERN

The disability support worker role is evolving to include more complex support tasks such as supporting people with complex needs, including where behaviours of concern have been identified, and providing support to people who require more complex physical/health support. Successful completion of this course provides participants with the skills and knowledge to support the personal care of people with disability who have complex personal care needs.

- Suitable for non-qualified, Certificate I to Certificate IV candidates only
- Onsite monthly classes over a 6-month duration
- Self-directed learning online (minimum two hours per week)
- Pre-reading education
- Workplace supported assessments and class time
- Ongoing education and IT support
- Computer access required
