

IMPACT LEADERSHIP PROGRAM

THE AIM OF THIS PROGRAM IS TO:

Examine issues health leaders face, and inspire the group to make positive changes by applying simple but effective tools and perspectives. Our sessions can focus on management culture, change management, and staff engagement to name a few.

PEOPLE

PURPOSE

WHY CHOOSE LEADERSHIP?

This program is specifically designed, through Industry Consultation, for leaders in middle management. By addressing the issues and giving this group options to manage not only their own teams but the expectations of the organisation, we are building a strong core for the future of our health care sector.

MAKE YOUR IMPACT! WE COVER TOPICS INCLUDING:

- Emotional Intelligence
- Personality Profiling
- Legacy
- Perspective Thinking
- Understanding our challenges
- Leadership Tools
- and more!
