

LEAN HEALTHCARE PROFESSIONAL PROGRAM

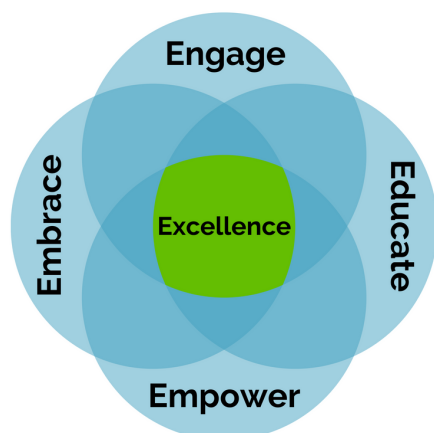

THE AIM OF THIS PROGRAM IS TO:

- Introduce you to the core tools and methods of Lean
- Show you how to identify and eliminate waste
- Show you how Lean can be applied within your organisation to drive the Continuous Improvement Process

DO YOU HAVE A NEED TO IMPROVE?

Do you feel the pressures of National Targets, Accreditation or Aged Care Standards, Processes, Staff morale, or Patient satisfaction?

TRANSFORM by engaging with every level of the organisation in the learning about and implementation of Lean Improvement.

BECOME CERTIFIED

To become certified as a Lean Healthcare Professional by Vative Healthcare, you will:

- Attend the program
- Complete a Value Stream Map and Waste Poster during the program
- Complete an online exam with a pass rate of at least 75%
